Dear New Mission Students, Families, and School Community,

Congratulations on a successful first week of school! We are so happy to have students back in the building.

Please review the information in this email, as it contains important updates about our school.

Morning Arrival

We are asking that students enter the building through the Back Door, Parking Lot entrance, where breakfast will be served. This is in order to keep NHMS students safe and accounted for, as we have BLCA students entering through the front entrance.

**** Students need to arrive at school by 7:45 AM in order to not be marked tardy. Students who arrive after 7:45 AM should come to the New Mission office to get a tardy slip from Norma in order to avoid being marked absent. Teachers will also send students back to the office if they do not have a tardy slip.**

COVID-19 Updates

Covid testing at New Mission is beginning soon. Weekly Covid testing is an important part of the safety plan for our New Mission school community. Testing is scheduled to start next week.

We are encouraging all students to be signed up for the weekly testing. Completing the online consent form is the easiest and fastest to sign up, and you should have received an email from Permission Click to complete this form online. If you need your link from Permission Click resent, please email Mr. Kareem Cutler at kcutler@bostonpublicschools.org. You are also welcome to complete the paper form at the link below, scan the completed form, and send it to Mr. Cutler at kcutler@bostonpublicschools.org.
